

What is the purpose of this document?

Phocas Limited is a "data controller". This means that we are responsible for deciding how we hold and use personal information about you. You are being sent a copy of this privacy notice because you are applying for work with us (whether as an employee, worker or contractor). It makes you aware of how and why your personal data will be used, namely for the purposes of the recruitment exercise, and how long it will usually be retained for. It provides you with certain information that must be provided under the General Data Protection Regulation ((EU) 2016/679) (GDPR).

Data protection principles

We will comply with data protection law and principles, which means that your data will be:

- Used lawfully, fairly and in a transparent way.
- Collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes.
- Relevant to the purposes we have told you about and limited only to those purposes.
- Accurate and kept up to date.
- Kept only as long as necessary for the purposes we have told you about.
- Kept securely.

The kind of information we hold about you

In connection with your application for work with us, we will collect, store, and use the following categories of personal information about you:

- The information you have provided to us in your curriculum vitae and covering letter.
- The information you have provided through our online application portal, including name, title, address, telephone number, personal email address, employment history, qualifications, photograph.
- Social media profiles on platforms such as LinkedIn
- Any information you provide to us during an interview.
- Information about your entitlement to work in the location the opportunity is located in
- Results from the PXT profile assessment.

We may also collect, store and use the following "special categories" of more sensitive personal information:

- Information about your race or ethnicity.
- Information about your health, including any medical condition, health and sickness records.

How is your personal information collected?

We collect personal information about candidates from the following sources:

- You, the candidate.
- Suppliers who carry out our PXT Profile Assessment, from which we collect the following categories of data: name, Email address and details of your behavioural type and interests.
- Your named referees, from whom we collect the following categories of data: employment dates, employment history, re-employability, quality of work performance, strengths and development needs.

How we will use information about you

We will use the personal information we collect about you to:

- Assess your skills, qualifications, and suitability for the role.
- Carry out background and reference checks, where applicable.
- Communicate with you about the recruitment process.
- Keep records related to our hiring processes.
- Comply with legal or regulatory requirements.

It is in our legitimate interests to decide whether to appoint you to the role since it would be beneficial to our business to appoint someone to that role.

We also need to process your personal information to decide whether to enter into a contract of employment with you.

Having received your application, we will then process that information to decide whether you meet the basic requirements to be shortlisted for the role. If you do, we will decide whether your application is strong enough to invite you for an interview. If we decide to call you for an interview, we will use the information you provide to us at the interview to decide whether to offer you the role. If we decide to offer you the role, we will then take up references before confirming your appointment. We also carry out a PXT Profile Assessment as part of our recruitment process.

If you fail to provide personal information

If you fail to provide information when requested, which is necessary for us to consider your application (such as evidence of qualifications or work history), we may not be able to process your application successfully. For example, if we require references for this role and you fail to provide us with relevant details, we will not be able to take your application further.

How we use particularly sensitive personal information

We will use your particularly sensitive personal information in the following ways:

- We will use information about your disability status to consider whether we need to provide appropriate adjustments during the recruitment process, for example whether adjustments need to be made during a test or interview.
- We will use information about your race or national or ethnic origin, religious beliefs to ensure meaningful equal opportunity monitoring and reporting.

Information about criminal convictions

We do not envisage that we will process information about criminal convictions.

Automated decision-making

You will not be subject to decisions that will have a significant impact on you based solely on automated decision-making.

Data sharing

Why might you share my personal information with third parties?

We will only share your personal information with the following third parties for the purposes of processing your application:

- Our recruitment platform provider, Workable Inc.
- John Wiley & Sons Inc, and Directions Unlimited, powered by Profiles International, to carry out our PXT Profile Assessment.

Our recruitment platform (Workable), is based outside of the EEA. It is accessed by the People and Culture Team within our group, including those based in the USA and Australia. As a result, your data may be accessed by our team outside the EEA. Whenever we transfer your personal data out of the EEA, to a third party or another entity within our group, we ensure a similar degree of protection is afforded to it by ensuring at least one of the following safeguards is implemented:

- Within our group and where we use service providers, we may use specific contracts approved by the European Commission which give personal data the same protection it has in Europe.
- Where we use providers based in the US, we may transfer data to them if they are part of the Privacy Shield which requires them to provide similar protection to personal data shared between the Europe and the US.

All of our third-party service providers and other entities in the group are required to take appropriate security measures to protect your personal information in line with our policies. We do not allow our third-party service providers to use your personal data for their own purposes. We only permit them to process your personal data for specified purposes and in accordance with our instructions.

Data security

We have put in place appropriate security measures to prevent your personal information from being accidentally lost, used or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal information to those employees, agents, contractors and other third parties who have a business need-to-know. They will only process your personal information on our instructions and they are subject to a duty of confidentiality. Details of these measures may be obtained from gdpr@phocassoftware.com

We have put in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so.

Data retention

How long will you use my information for?

We will retain your personal information for a period of 12 months after we have communicated to you our decision about whether to appoint you to the role. We retain your personal information for that period so that we can show, in the event of a legal claim, that we have not discriminated against candidates on prohibited grounds and that we have conducted the recruitment exercise in a fair and transparent way. After this period, we will securely destroy your personal information in accordance with our data retention policy.

If we wish to retain your personal information on file, on the basis that a further opportunity may arise in future and we may wish to consider you for that, we will write to you separately, seeking your explicit consent to retain your personal information for a fixed period on that basis.

Rights of access, correction, erasure, and restriction

Your rights in connection with personal information

Under certain circumstances, by law you have the right to:

- **Request access** to your personal information (commonly known as a "data subject access request"). This enables you to receive a copy of the personal information we hold about you and to check that we are lawfully processing it.
- **Request correction** of the personal information that we hold about you. This enables you to have any incomplete or inaccurate information we hold about you corrected.
- **Request erasure** of your personal information. This enables you to ask us to delete or remove personal information where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal information where you have exercised your right to object to processing (see below).
- **Object to processing** of your personal information where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground. You also have the right to object where we are processing your personal information for direct marketing purposes.
- **Request the restriction of processing** of your personal information. This enables you to ask us to suspend the processing of personal information about you, for example if you want us to establish its accuracy or the reason for processing it.
- **Request the transfer** of your personal information to another party.

If you want to review, verify, correct or request erasure of your personal information, object to the processing of your personal data, or request that we transfer a copy of your personal information to another party, please contact gdpr@phocassoftware.com in writing.

- **Right to withdraw consent**

By continuing to apply for this role, you are providing consent to us, to process your personal information for the purposes of the recruitment exercise. You have the right to withdraw your consent for processing for that purpose at any time. To withdraw your consent, please contact gdpr@phocassoftware.com. Once we have received notification that you have withdrawn your consent, we will no longer process your application and, subject to our retention policy, we will dispose of your personal data securely.

Data Privacy Manager

We have appointed a data privacy manager to oversee compliance with this privacy notice. If you have any questions about this privacy notice or how we handle your personal information, please contact the data privacy manager at gdpr@phocassoftware.com. You have the right to make a complaint at any time to the Information Commissioner's Office (ICO), the UK supervisory authority for data protection issues.
